

Gaudit B.V. (“Gaudit”) is the owner and developer of the SaveDrives App (“SaveDrives”) and committed to comply with applicable data protection and privacy laws.

This privacy policy (“Policy”) describes how we collect and use data where Gaudit is the data controller or where we refer to the applicability of this Policy. “Personal data” means information relating to you or another identifiable individual.

What information do we collect?

We collect the timestamps and GPS coordinates of the drives that you save while using SaveDrives. We do not collect any information that identifies you in any way. This means that we only collect anonymous data and no Personal data.

Why do we collect this information?

SaveDrives may use the timestamps and GPS coordinates of the drives that you save while using SaveDrives for research. On an aggregated level this data may be valuable for us or third parties interested in traffic patterns.

What are your rights?

You have the right to know that we collect and use the timestamps and GPS coordinates of the drives that you save while using SaveDrives. If you do not consent with SaveDrives collecting your anonymous data, please do not use SaveDrives.

Communicating with you

As we store no identifiable information of our users, we cannot communicate directly with you. However, if you contact us via info@savedrives.com we will answer your question as soon as possible.
